MA English

Master of Arts

The Master of Arts (MA) in English is a postgraduate program that consists of rigorous literary studies which delve into the nuances of comparative literature, literary theories, language teaching, translation studies, etc. The program stands out for its thrust on the significance of literature in contemporary global scenario, integrating linguistic and literary principles. It also familiarises students with the intricacies of research in both language and literature. This well-rounded approach broadens career opportunities in academia, media, creative arts etc., making it a versatile degree for those seeking a deeper understanding of literature and its applications.
